

# School Art Workshops

Wendy Malowany can come to your school to teach art workshops. Wendy has her B.F.A., M.S. in Art Education and Art Education certification. She taught in public and Catholics schools in the U.S. for over 10 years. All art workshops cover requirements in the Ontario Art Curriculum. Wendy has years of experience working closely with classroom teachers to help them use art to make connections with other subjects in their curriculum.

Below are some of the Art Workshops Wendy offers, but if you are covering something specific in your classroom which you'd like to connect with art, just let Wendy know and she can teach an art workshop that relates.

## Art Fundamentals
